1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The calendar events is prepared by IQAC for the respective academic year's curriculum with proper planning for the enhancement of the academic pursuit. As per the Gulbarga university's norms the committee which is responsible for Time-Table, prepares the timetable for various courses and events The same will be displayed on notice board and we also tell the students briefly regarding the notification provided by the university. We have some of the best practices and

enhancements for the development of student's morality/spirituality based on the values and principles of sharanas through the vachana kammata. All the Staff members of the Teaching are well known to their academic year's workload as we inform them about it priorly because it helps them to prepare their subject teaching methods and plans. we keep a record of academic course of each individual teachers that includes their departmental and personal timetable, lesson plans, attendance record, topics taught, and the books which they have referred and also the I/A marks sheet of the particular subject. The Higher authorities of the institutions also monitor the same recorded data of the teachers. Along with the latest/current information teachers are also informed to refer the standard reference books prescribed by the Gulbarga university. Different curriculum's like group discussions, debates, allied projects, PPT presentation, quiz and many other knowledge acquiring activities are promoted by the institutions rather than only using blackboard methods for the overall development of the student. We analyse the semester wise result of the every course and the IQAC suggest different remedies for the students who are slow learners and assign them home projects, tutorials etc. we give a special attention for the slow learners for their overall development. if the teaching staff is going through some difficulties regarding their subject we periodically take reviews and solve the problem faced by them if any.
